Judo demonstrations at the Royal Melbourne Show

On Monday the 27th of September a team from Judo Victoria Inc. presented a Judo demonstration as part of the Victorian government exhibition at the Royal Melbourne Show. It is important to take every opportunity to increase public awareness of our sport. The demonstration was very well appreciated by the audience and the feedback from the State government organisers was very positive.

Special thanks are due to Ivo, Ryoski, Brendan and Perry from Western Judo, and to Janet Lambert and Neville Sharpe for assisting.
