Members,

Due to changes brought about by the new Cadets division, it has become necessary to change the age categories for our junior JVI events.

The new age divisions are:

Under 9 years old boys and girls (combined)

Under 12 years old boys and girls (combined)

Under 15 years old boys

Under 15 years old girls.

The player's age is calculated by the calendar year and not the day of competition.

For example:

In May the player's present age is 11 years old –their birthday is December 31st 2010.

The player will compete as Under 15 during 2010.
