

Notice to JVI Members from the President

During 2011, the JVI membership cycle is being realigned to the calendar year.

This means that continuing members, who must renew by 30 June 2011 to remain insured, only have to pay 50% of the scheduled 2011 fee as the renewal covers a period of six months.

Another membership renewal notice for 2012 will be issued in late 2011. It will cover each member for a whole 12 months and be due by 31 December 2011.

I thank everyone for their patience with the introduction of the new fee system.

The change is designed to attract new players into the Victorian Judo community. Many people, and in particular children and teenagers, decide to take up a new sport at the beginning of the year. This has also been a key driver to the development of our judogi and accessories kit for new members through JVI's sponsorship deal with Jols.

If you have any questions about the changes, please contact your Judo clubs business manager in the first instance. They have been briefed on the new fee schedule and membership cycle.

Have a great year in Judo.

Michael Picken
